

Could you be a volunteer driver?

- Do you have spare time during the week?
- Could you provide help and support to other people
- Are you flexible with time?
- Could you pick up a service user from their home address
- Take them to their given appointment and wait for them
- Return them safely back to their home

If so, we want to hear from you!

We will pay you mileage allowance and parking expenses, which would not affect any benefits that you may be receiving.

If you would like more information about becoming a volunteer driver please contact us and we will be pleased to help.

COMMUNITY TRANSPORT CAR SCHEME - INFORMATION TO PASSENGERS

Do you worry about how to get to your appointments?

The Community Transport Car Scheme is here to help you.

What we do

Help resolve mobility problems for individuals without transportation and making it possible for them to get to Doctor, Dentist, Hospital appointments or visiting loved ones in hospital?

We aim to provide a first rate service to all our customers, ensuring that they can travel to and from their homes in comfort with the assistance of Volunteer Drivers.

How Does it Work?

Call and give us your details: name, address, telephone number, destination, time and date of appointment, and leave the rest to us. When we have located a driver for you we will call to let you know.

As our Drivers are all volunteers, it would be helpful if you could notify us at least 5 working days before the transport is needed.

What is the Cost?

The Driver's time is free, but there is a charge made towards the running cost of the vehicles used.

The charges vary according to the distance travelled. Please ask at the time of booking your transport. Charges are paid directly to the driver.

All our drivers have undergone a criminal records check. You will be told the name of your driver before they come to collect you and all of our Volunteer Drivers wear an identity badge.

An escort is available should one be needed.
